Introducing STAY

All the comfort and convenience of home, combined with the luxuries of a boutique hotel: STAY offers a selection of serviced apartments in iconic and well-connected locations.

Smart, connected and stylishly conceived, every space has been created to work as hard as its residents. Enjoy an instant home with flexibility, without the hassle of a traditional rental model; no lengthy contracts, no utility bills to set up and no fuss with housekeeping. Design led and spacious, STAY apartments are created to optimise sleep, productivity and play.

Those in need of assistance can benefit from a friendly reception team, 24-hour security plus assistance with parcel deliveries and step free access. Our bespoke welcome packs contain eco-friendly toiletries and plastic free essentials to help provide comfort in your first few days.
