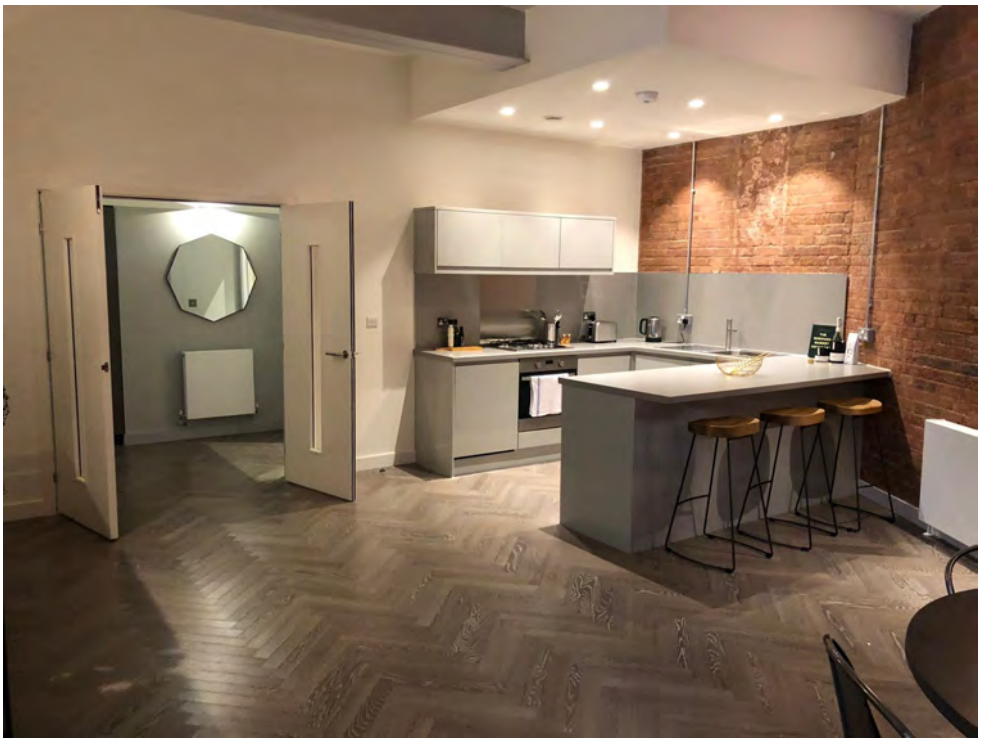
# The Residence @ Shoreditch

3 BATH STREET, LONDON EC1V 9LB



The Residence at Shoreditch has just opened after an extensive refurbishment programme and is housed in an old tea warehouse once owned by Sir Thomas Lipton famous for his Lipton teas. This beautifully refurbished building is just moments from Old Street with a diverse mix of telecommunication companies; start-ups and connectivity & internet infrastructure providers. With so many neighbourhoods just a stroll away with Hoxton, Liverpool Street, Shoreditch and Islington to name but a few, this is truly a location to consider. This district could be perfect for an executive who wishes to live in town with easy access to all parts of the city – but still feel the vibrancy of a local neighbourhood at the weekend.

This lovingly restored property is home to a selection of one and two and three bedroom apartments, all stylish appointed and beautifully fitted with the busy executive in mind.
